EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Fox on December 21, 2004.

The application has been amended as follows:

Claim 13. A display system for displaying a banner on a roof of an automobile, the system comprising:

a banner made of flexible, non-rigid sheet material, and including a plurality of elongated sleeves;

a frame system to support the banner, the frame system including a pair of horizontal frame members and a pair of vertical frame members, each slidably positionable within one of the sleeve, with each frame member having a length greater than the length of the sleeve into which it is positionable, the vertical frame members each including a pair of spaced apart apertures thereon for receiving ends of the horizontal frame members and thread structure provided adjacent an end of each of the vertical frame members, wherein the banner and frame assembly are assembled by positioning each of the frame members within one of the sleeves and thereafter positioning the opposite ends of each horizontal frame member within one of the apertures of the vertical frame members; and

a mounting system for mounting the display system on the roof of the automobile, the display system comprising a pair of suction cups, each suction cup having a force cup separate from and opposite a blind bore having a closed end separating the force cup from the blind bore and an opposite open end including a suction cup thread structure, with the suction cup thread structure being threadably mounted to one of the thread structures of the vertical frame members.
